**[A Nodal Centre for National Board of Accreditation (NBA)
in the East and North-East States of India]**

on **16th September, 2013**

**VENUE: WEST BENGAL UNIVERSITY OF TECHNOLOGY
BF-142, SALT LAKE, SECTOR -1, KOLKATA- 700 064**

**From : Dr Phalguni Mukherjee
Joint Secretary, WBSCHÉ &
Nodal Officer, NBA (East & North-East States)**

Dear Sir / Madam,

I would like to take this opportunity to inform you and your colleagues that the West Bengal State Council of Higher Education (WBSCHÉ) has been chosen as the Nodal Centre for National Board of Accreditation(NBA) in the East & North-East States of India.

In a nutshell, I will give you an idea about NBA and its scope of work. National Board of Accreditation (NBA) has been formed by the MHRD, Govt. of India by the act of Parliament and has been entrusted to ensure / assess the quality of the teaching, learning and infrastructure of technical programmes under AICTE. In recent past, this body has further developed the process of assessment and is poised to ensure quality of educational standard in technical and management institutions all over India. It will be done on outcome based evaluation parameters and accordingly this body will confer the status of accreditation, provided the institute achieves the standard. Also, NBA has been following the global accreditation parameters and giving extensive training in improving the standard of education as well as training the teachers as required for accreditation.

It might be known to you that the UGC has made it mandatory that all the institutions of higher learning should undergo the process of assessment and accreditation. It is expected that in a very short time other regulations are going to make it mandatory for the technical and management institutes for undergoing the process of accreditation. We feel it is high time to motivate the technical and management institutes in our state to improve their teaching standard.

It is my pleasure to inform you that WBSCHÉ has decided to organize a seminar in Kolkata to train the administrators, academicians, technical persons and others associated with such institutions to impart necessary training for overall development of the management and technical education. Some experts in this field will be the speakers in this programme.

I, on behalf of Prof. Abhijit Chakrabarty, Chairman NBA Nodal Centre(East and North-East States of India) and Vice-Chairman, WBSCHÉ, would like to request you to **nominate at least two of your senior faculties / academic administrators** associated with your institution in the proposed seminar. *The registration fee for each participant is Rs. 1500/- only.*

Thanking you and looking forward to a long and fruitful association ahead,

Yours sincerely,

Phalguni Mukherjee (phalguni.mukherjee@gmail.com)
